## TRUSS PLANT OPERATOR TALBOT TIMBER – PEMBROKE DOCK

Due to our continuous growth, we have an exciting opportunity for a **Truss Plant Operator** to join an experienced Engineering Team at our Pembroke Dock Site.

### About Us

Talbot Timber is part of the LBS Group and merged as part of a large acquisition in August 2016. Talbot Timber is a Manufacturer, Assembler and Distributor of critical components for the Building and Construction industry throughout South West Wales.

### The Role

- Assembling Timber based framework.
- Using hand tools to assemble components.
- Working to Engineering drawings (training can be provided).
- To meet production deadlines on jobs when information provided.
- Keeping work areas clean and tidy in line with Company Health and Safety procedures.

### The Person

- Ability to interpret and work from drawings / cutting lists, unaided.
- Good numerical skills.
- Component Assembly experience.
- "Can do" attitude.

To be successful in this role you will have previous experience of working in an Assembly, Production or Manufacturing environment and be comfortable using hand tools on a regular basis. This role can be physically demanding at times, so applicants should be fit and used to hands on work in an open Warehouse environment.

### Hours of work:

**Monday to Friday 7.30a.m – 4.30pm plus alternate Saturday mornings 8.00 a.m. – 12 noon**

### In return, we offer:

Competitive salary - Staff Purchase Scheme - Company Pension - Profit Share Scheme – Uniform – Training and Development.
