

VACANCY BULLETIN

February 2017

SAWMILL SUPERVISOR

TALBOT TIMBER – PEMBROKE DOCK

The Role

You will be required to supervise and manage the safe day to day operation of all sawmilling processes on site including Timber engineering dept. You will also be supporting the Branch Manager in achieving and exceeding production targets at optimum cost, ensuring we maintain our high standards, in Health & Safety and production Quality.

Assisting the Manager by providing a first class service by maintaining our existing loyal customers and developing new business

Knowledge of timber and sawmilling processes and controls is essential. Further training will be given. Applicants must be computer literate.

The Person

You must be a highly motivated, enthusiastic individual with excellent communication skills, a natural flair for organisation and management of individuals and teams. Must have a commitment to customer service and a clear understanding of managing Health & Safety in the workplace

We are looking for someone who:

- Has qualifications & experience in Wood machining / Toolroom processes
- Has excellent product knowledge
- A professional with drive, energy and focus, and strong attention to detail
- Is enthusiastic and passionate about delivering an outstanding level of service
- Is well planned and structured in delivery of business requirements
- Excellent customer service skills, naturally generating relationships with new and existing customers
- Builds rapport, able to interpret and adapt business's ideas

Hours of work:

Monday to Friday 7.30am – 5.00pm and alternate Saturday mornings 8.00 a.m. – 12 noon

In return, we offer:

Competitive salary, Staff Purchase Scheme, Pension, Bonus Scheme, Staff uniform and full training
