Welcome...

...To Middleton Kitchens and Bathrooms

In any kitchen or bathroom, it's the experience that counts. The kitchen is the heart of the home, while the bathroom is often the place to unwind at the end of a long day. Both are extensions of our primary living space, and are every bit as important as any other room in the home.

Middleton offers you a unique experience, from Traditional handmade to ultra modern Hi Gloss kitchens, from freestanding baths to aromatherapy whirlpools... Middleton guarantees style and quality at prices to suit most budgets.

Spoilt For Choice

A visit to a Middleton showroom will inspire you, displaying the most popular finishes and with over 90 different Kitchen styles and 30 styles of Sanitaryware to choose from you really are 'Spoilt For Choice'. Whatever your taste you'll find it at Middleton.

Design & Planning
 We know that achieving the perfect design for you and your lifestyle takes time. Your personal designer will visit your home to take accurate measurements, plot all features and services, and discuss your ideas and requirements. Using the latest in Computer 3D Design packages they will then provide you with a choice of plans and perspectives to choose from.

Worktops & Accessories
 Middleton offers a vast range of stylish kitchen accessories, including attractive lighting, functional storage solutions and stylish work tops. Whether they are granite, laminate, timber or ultra modern composites, we have worktop solutions to satisfy all your requirements.
 We also supply a wide range of high performance appliances from leading manufacturers.
 Middleton also offers the widest choice of showers, bathroom cabinets and the latest LED mirrors.
 To finish off any Kitchen or Bathroom, we have an exquisite choice of tiles from hand painted ceramics to natural stone.

Installation
 For total piece of mind, Middleton offers a professional installation service carried out by experienced craftsmen. Obviously there's going to be some upheaval at this point, but we'll ensure that disruptions are kept to a minimum while talking the greatest care over the actual fitting. We will co-ordinate the plumbers and electricians, so you can sit back, relax, and watch your dream materialise before your eyes.
